

High quality large format output.

High productivity and exceptional output quality help this large-format device meet the most challenging document management needs. All copying, printing and scanning functions are easy to access and operate via the wide-screen, colour touch panel. Fast warm-up as well as fast printing and copying equals efficient, time saving productivity. Here is large-format, multifunctional flexibility, engineered to suit the most demanding designers, architects, builders and engineers.

- ▶ Copy/print speed of 4.8 m per minute
- ▶ Up to 600 dpi ultra sharp and detailed output quality
- ▶ Zoom range from 25% to 400%, selectable in increments of 0.01%
- ▶ 1000Base-T integrated network card
- ▶ Easy-to-use 10.4 inch colour touch panel
- ▶ Standard colour/monochrome scan system: Scan to USB, FTP, SMB, HDD
- ▶ Able to stack copied and printed paper in upper tray up to 50 sheets
- ▶ Easy replacement of paper rolls
- ▶ Expandable colour copy (colour scan & print) to inkjet printer
- ▶ High-efficiency mono-component toner for printing with less environmental impact

The TASKalfa 4820w incorporates extremely durable components that guarantee efficient and reliable operation. The system is designed to meet the demanding requirements of busy office environments. The TASKalfa 4820w provides effective productivity and maximises uptime, whilst ensuring a minimum impact on the environment.
